

HILLCREST VETERINARY HOSPITAL NEWSLETTER

APRIL 2021

GENERAL NEWS

We are a 24 hour emergency Veterinary Hospital.

What does this mean?

This means that unlike all other vets in the upper highway area, we have a qualified vet on the premises 24 hours a day, 365 days a year. So if you have any emergency that needs dealing with right away outside of daily working hours - we are able to assist you. **Is it extremely expensive?**

All emergency work whether on animals or humans is expensive. We do our best to keep our costs to you reasonable and only charging you a flat emergency rate for your emergency visit and everything else is charged out at the normal practice rate. The emergency rate is R845 up to 10pm and R1000 after 10pm.
